Dedication

Mr. Phillip Barker

To us, the senior class of 1982, the Dedication is more than just pages in the yearbook; it's the opportunity we need to express our sincere appreciation and love for a person who, we feel, has done so much to help us through the changes we've encountered in the past five years. For the encouraging smile, the playful warmth, the honest guidance, and the enduring support he has extended to us, we will remember him always. We dedicate the 1982 BULLDOG to Mr. Phillip Barker because he has dedicated so much to us.

John, the
week, the
years already

hardly get to see
ya! Have a great summer
maybe we'll see ya!

Edit, Debate, and Drama

The Edit is put together by Lithonia High students with literary talents. Under the leadership of Mrs. Griffo, the students put together this magazine which comes out twice a year, and consists of stories, sketches, and poems.

This year's Debate Team is the largest in number and youngest in experience of the debate teams at LHS in the past. These students participated in the region tournament as well as individual meets.

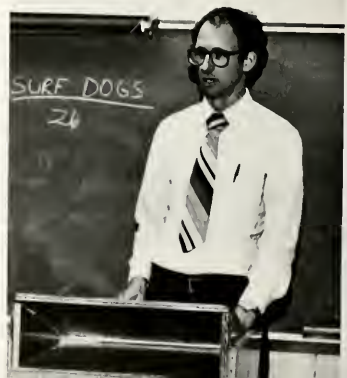

The LHS Drama club is composed of students with dramatic potential. They put forth much effort in learning parts and putting props together. Under the direction of Mr. Harrod, they participated in the county drama competition and also in the spring musical.

Also during spring quarter the varsity team participates in the Georgia State University Tournament. This year LHS hosted the fall quarter meet, which was a success. With their experience and understanding, varsity sponsors Mike Shivers and Sue Henderson and B-team sponsor Salli Paschal aided these students to a year filled with learning and discovering many ideas new to them.

Band

Under the experienced and praiseworthy leadership of director Conrad Cheney, the Lithonia High School Marching Band executed many outstanding performances this year. Traveling to Elberton, Georgia, the corps participated in the Granite City Classic where they received six trophies—two for the drum majors, two for the drum line, and two for their overall performance.

Apart from the Marching Band, the Pep Band and Concert Band play an important role at L.H.S. During the basketball season, the Pep Band arouses much enthusiasm at all home games. The Concert Band gives a Christmas show, takes part in the Concert Band Festival, and also presents an annual spring concert.

Varsity Cheerleaders

The Varsity Cheerleaders showed their spirit and support throughout the football and basketball seasons. Painting signs, perfecting cheers, and decorating the halls were just a small part of the important role they held. Under the leadership of co-captains Susan White and Leslie Kimmons, they created a lively atmosphere at both pep rallies and football games. The fourteen hard-working girls attended an NCA camp during the summer where they were awarded superior ribbons and a spirit stick for their outstanding performance.

By practicing after school, they perfected their cheers, stunts, chants, and also prepared spirit signs. Dedicated co-captains Tracy Sams and Lynn Cliatt led a spirited group of girls through a season of hard work and satisfaction.

The 8th Grade Cheerleaders, who tried out at the beginning of the year, quickly discovered that they had a very difficult task ahead of them. Learning all the basics of cheerleading required much patience; however, with the help of co-captains Jana Black and Michelle Bohler, they organized themselves to inspire enthusiasm at the 8th grade football and basketball games.

Varsity Drill Team

The Varsity Drill Team, under the direction of a new sponsor, Debbie Hughes, had an exceptional marching season. To produce an award winning drill team, the officers worked hard teaching new routines and directing the team to many great performances. In addition to performing at all of the Varsity football halftime shows, the squad also traveled to Elberton, Georgia where they earned a superior rating and a first place trophy at the Granite City Classic. As well as taking first place there, the team also placed first in the Atlanta City Classic.

Homecoming Festivities 1981

Homecoming festivities at LHS were ushered in with an air of expectation and excitement. A variety of activities were participated in, including hall decoration, float competition, dress-up days, the Homecoming game, and the Homecoming dance. During the week, people dressed up on punk day, 60's day, hat and jersey day, Halloween day, and black and gold day. The contest winners were the Juniors in the hall decoration, the Seniors in the float competition, and Lithonia's Varsity Football team in a 20-8 matchup over Walker. The Homecoming dance, featuring the band Total Experience, topped off this fun filled week.

One of the highlights of Homecoming week was the election of the Homecoming Court. From the fourteen girls elected to the court, the student body chose the 1981 Queen, Leslie Kimmons, and three finalists. They were Janet Entrekin who was 1st runner-up, Susan White who was 2nd runner-up, and Yvette Parks who was 3rd runner-up.

On October 23rd, Leslie Kimmons was crowned the Homecoming Queen of 1981 by Lisa Waggoner, the 1980 Homecoming Queen. Leslie's well-rounded career at LHS made her an excellent choice for this title. In the past five years, Leslie has been a cheerleader, a member of the gymnastics team, and has been active in Student Council, Kappa, NHS, and Beta. Our congratulations to this fine representative of Lithonia High School for having been chosen for this honorable position.

SPORTS

Varsity Football

The 1981 Lithonia Varsity Football team completed an outstanding season this year under the superb leadership of Head Coach Phil Knight, who was assisted by Coaches Tom Jones, Larry Ballard, and Mike Fowler. This season the Bulldogs were able to secure an unparalleled record of 5 and 0 in region play and an equally outstanding record of 9 and 1 in their regular ten-game season. Sweeping victories, such as in the Stockbridge and Gordon games, in which the final scores were 47 to 0 and 45 to 0 respectively, led the Bulldogs to a well-deserved Sub-Region Championship.

Many things contributed to this year's successful season: individual ideas and ability, hard work, patience, and time. Taken together, these assets made possible the 1981 season one of the most prosperous the Bulldogs have had in years.

The Lithonia High School B-Team completed an exceptional 7-0 season in 1981. This was the first B-Team since 1971 to go undefeated, a feat accomplished this season by only two other teams in DeKalb County. During the season the defense allowed only three touchdowns, and the offense averaged 15.7 points per game and rushed for over 1,000 yards. It was the combined efforts of this team, which showed both skill and determination, that led to this outstanding season.

The 1981 8th Grade Football team, which finished the season with a 2-4 record, consisted of many inexperienced players. Although they were inexperienced, the members of the team displayed constant diligence and determination in facing their opposition. With the aid of Coach Robert Rounsaville, the 8th grade team was able to gain knowledge and experience which will later pay off for the young team.

This year our Science department offered students a wide variety of fascinating courses to broaden their scientific knowledge. These classes included first and second year courses in biology and chemistry as well as courses in the physical sciences. A new approach taken by the science teachers this year was to involve the students in science in a lab setting. Consequently many hours were spent in lab stations doing interesting science experiments. Another important asset to the department was a science team that competed against science teams from other schools in the county.

Activities and courses taught in the Social Studies department are valuable parts of every student's education. To facilitate learning, the department makes use of many books, maps, and other visual aids in the Economics, World Geography, and Georgia History classes. This year the Social Studies department participated in the Close-up Program in Washington D.C. and the Model U.N. Program at Georgia State University. Also, a presentation on the Holocaust was given by the Anti-Defamation League.

The Media specialists, Mrs. Robinson and Miss Hooper, work diligently to keep us well informed of incoming media information while Mrs. Fluellen, the secretary, keeps all the files in order.

Music and Art

The Music department at LHS is taught by two well qualified teachers. Miss Hardison directs the choral program and also teaches guitar and piano classes. The band director, Mr. Cheney, works very hard to organize the marching, concert, and jazz bands, while teaching various beginner and intermediate band classes. The Art department offers courses in building, drawing, painting, and photography, which are entertaining and profitable to creative students.

Home Economics and Industrial Arts

The Home Economics department teaches a variety of domestic duties including cooking, sewing, child care, personal grooming, and crafts. Specialized cooking courses this year dealt with breakfasts and brunches, cake decorating, and creative cookery. The Industrial Arts courses at LHS teach skills in wood and metal construction. The Vocational department is very helpful in the operation of our school. Offering on-the-job training and part-time employment, programs such as DCT, CVAE, and VOT give students an opportunity to leave school and enter many diversified jobs. The Resource department offers activities outside the structured classroom and is well equipped to help those with learning disabilities as well as students who are interested in independent study.

Physical Education

LHS has an excellent physical education program which, through many different activities, teaches students how to keep physically fit. During the two years of required P.E., emphasis is placed on such activities as basketball, volleyball, football, gymnastics, softball, soccer, and tennis. In the health classes, students learn more about their bodies and how to take proper care of them.

1. Billie Roberts: Jacksonville State Univ., B.S.; Auburn Univ., M.Ed.
2. W.B. Atkins: Morris Brown College, B.S.; Univ. of Ga., M.A.
3. Susan Cantrell: Florida State Univ., B.S.
4. Phil Knight: Auburn Univ., B.S., M.A. (not pictured).

Special Services

1. Claudette Hamby: Attendance Office
2. Steve Fowler: Security
3. Sandy Haynes: Alternative Instruction

The people in charge of special services work very hard to keep our school running smoothly. Mrs. Hamby, who handles the attendance office, has the task of checking students in and out. Mr. Fowler, the security officer checks over the school grounds, while Mrs. Haynes heads up the Alternative Instruction program. The cafeteria staff does a good job of providing the students with nutritious meals, while the custodians work hard to keep the school clean.

Cafeteria Staff, pictured lt. to rt.: Front Row: Sandra Anderson, Carol Rogers, Margaret Burt, Faye Eubanks, Lois Kelly. Back Row: Tommie Butterworth, Carrie Smith, Joyce Sills, Ina Kelly, Mary Pierce.

Custodians, pictured lt. to rt.: Percy Paige, Frank Champion, Roosevelt Smith, Eddie Nesbitt, Harvey Brown.

Senior year has been a long year
but we made it a year we are
so seniors and seniors are
great! It's been wild!

Love ya Amy

How is high school different from elementary school?

- getting to lunch, no walking in lines or commands to slow down
- no little sister tagging along
- more extra-curricular activities, more people, more distance to classes
- better-looking guys but harder work
- more organization, more freedom
- lockers for my things
- pep rallies

Describe how you felt at your first pep rally.

- happy but embarrassed to yell
- nervous for being late for band
- fired up
- like a part of the school
- confused
- older
- happy, in spite of the noise

Our years at L.H.S. came and, for many, too quickly passed away, but during that time, lasting friendships and lifetime memories caressed our hearts and were engraved upon our minds. Whether it was the eighth grader we would "love forever" or the thrill of the first game of the season, all touched us in a private, romantic way.

L.H.S. provided us with a place to grow and learn, a place to rejoice in our bounty and suffer in our grief; bounty as big as the knowledge in our minds and grief as tragic as the untimely death of a dear friend. Through it all we moved ahead and became stronger. We became a family—each one an extension of the other. Now, as we go our separate ways, we can be assured that each of us will be missed but none of us forgotten.

Friends, though you may think the winds are silenced, the storm has just begun; and, just as here at L.H.S., new relationships, along with some old ones, will give you the strength you will need to weather that storm. Take care and walk proud, for you are one of the privileged few—the class of '82.

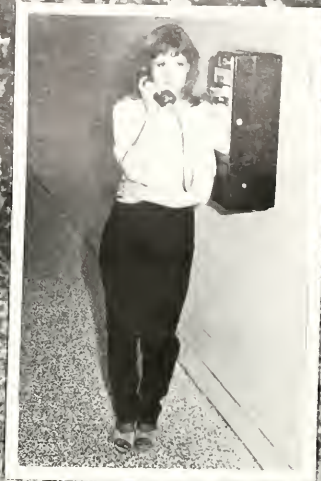

Leon Wright

Mr. and Miss L.H.S.

Susan White

Jim McNeill

Mr. and Miss LHS for 1981-82 were Jim McNeill and Susan White. Selected by the senior class, these two individuals displayed qualities of integrity, scholarship and leadership, as well as involvement in school and civic activities. Jim has served as president of both his class and Student Council, as captain of the volleyball team, and has been actively involved in other activities and sports such as NHS, Beta, Drama, tennis, and swimming. Susan, a cheerleader for five years, was named 2nd runner-up to the 1981 Homecoming Queen this year. She has also been involved with gymnastics and has been a class officer for three years. Both Jim and Susan are listed in Who's Who Among American High School Students and are also senior superlatives.

Honors

Every year the DeKalb Chapter of the Daughters of the American Revolution recognizes one senior from each area high school with the DAR Award. The recipient of this award for the 1981-82 school year was Yvette Parks, who was recommended to the DAR by the Lithonia High faculty on the basis of citizenship and character as well as social and school activities.

Fernando Renneke, who attained the highest score this year on the SAT, was named Star Student of 1982. Fernando, who was also in the top 10% of his class, chose Mr. Jim Crawford, science department chairman, as Star Teacher.

In the spring the University of Georgia Certificate of Merit is given to juniors who have excelled academically throughout their high school careers. Recipients of this year's awards were Michele Davis and John Sheehan.

The Presbyterian College, located in Clinton, South Carolina, gives an award to the top two boys and two girls who have the highest accumulated grade point average at the end of their junior years. The 1982 seniors who received this award were Michele Davis, Tommy Hester, Robyn Megginson, and John Sheehan.

Governor's Honors

Only one out of every four students who try out for the Governor's Honors Program is selected to participate in an advanced area of study. John Sheehan, a senior, was chosen to represent Lithonia as a Social Studies finalist in the 1981 session, which was held at North Georgia College. While there, he took classes in Legislative Process, Computer Sciences, and Social Studies. In addition to his classes, John also visited the Canadian and West German Consulates in Atlanta.

Outstanding students selected as semi-finalists were Michele Davis, Brenda Frasad, and Heather Wood, who were chosen in the area of English. Andra Hill was entered under the subject of math. Representatives for art and music were Jarvis Jennings and David Hinton, respectively.

EDITOR'S PAGE

Dear Student Body,

Although I've known the time would eventually come when I'd have to write this closing to our yearbook, I have tried to put it off; for I'm finding that I'm being a poor sport about relinquishing my turn as yearbook editor. The reason for this, I suppose, is that the yearbook has been the object of my artistic creativity for the past year and has given me the chance to develop an honest admiration for my co-workers on the staff. My role in producing this year's annual has meant more to me than I can ever express; it's been the realization of a dream, one that was fulfilled in part by the hard work and sacrifice of my staff.

I'd like to take some time here to thank the people who have given so much to make this yearbook a reality. Lisa Plunkett, my assistant editor, helped share the overburdening responsibility of the editor's position, and for this I am eternally grateful. I can honestly admit that I would have never made it without her. She has so much love for the yearbook that I feel the student body can rest assured that, in her hands, next year's annual will be a big success. The rest of my section editors, Brenda, Jon, Shannon, Heather, and Carrie, deserve equal praise. They took on a tremendous job and saw it through, in spite of all their school work and deadline after deadline. Other members of my dedicated staff were Bobby, Dee Dee, Valerie, Rhonda, Amy, Andra, Jeff, Phillip, Sharon, Kelly, Cathy, and John. These rare people quickly learned skills that often take years to develop, rushed here and there, drew layouts, revised layouts, and revised them again. They wrote copy on top of copy while others complained about their English papers. Although I haven't had many opportunities before to thank them, I'd like to tell them now what a good job they did and how much it's been appreciated. In addition to the staff I'd like to express sincerest thanks to our sponsor this year, Mrs. Dobson. Although she could have done nothing to help us, she contributed so much; our problems were her problems, our deadlines were her deadlines, and our responsibilities were her responsibilities. I'd like to thank you, Mrs. Dobson, for a job so well done.

We sought to give the yearbook a new look this year, an endeavor that entailed quite a bit of change, which ranged from mild alterations to drastic reform in some cases. While retaining a sense of neatness and continuity, we attempted to add some flair; and, believe me, it wasn't easy. We intended for this year's annual to be one oriented toward artistic layout and careful design, and I honestly feel that we achieved our goal. I can only hope that you feel the same.

Now that all's been said and done and there is no turning back, I'd like to leave you with this thought—The other members of the LHS annual staff and I sincerely hope you enjoy this yearbook as much as we have.

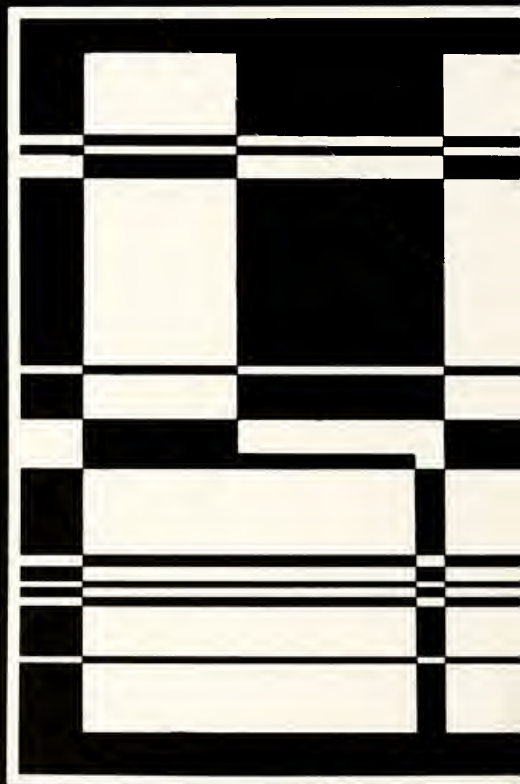

Sincerely,

Preston Bennett, Editor
